CASE STUDIES

Seeking Health

Fun quick Digital worked with Seeking Health to increase a phenomenal social following on their Instagram and Facebook profiles. We not only did their integration but also executed a paid campaign to bring in validated leads. Here are the statistics,

519% Increase in Social Follower ship and
56% Lead Conversion

Spirit Cars

Spirit Cars offers a wide array of fiberglass body, chassis, parts and pieces. It is known for it's up to the mark service. They required a methodical, yet an artistic approach to branding that would help take their brand and online presence to the next level and we made it possible.

1000% Increase in website traffic
69% Increase in social referral traffic
43% Paid Search conversion rate

Divine Spa

Our client Divine Spa's website redesign and search marketing campaigns brought the site a remarkable increase in traffic and a client reports to have an increased site engagement.

226% Increase in non-branded organic traffic
31% Increase in total site traffic
22% Increase in return visits by customers

Kids Unlimited

Our Experience with Kids Unlimited was really fun. Now this is a kid's dance and activity center and hired us to increase their membership subscription annually up to 150%. This indeed was workable and with the help of our keyword centric on site content, social feeds and articles, we were able to increase their.

150% Increased Subscriptions
510% Increase in Instagram and Facebook followership
